Letters of Recommendation

To The Recliners:

I just wanted to take a minute to express my appreciation for your role as the entertainment at my wedding reception. You not only created a fun atmosphere for my guests with your music, but you went above and beyond in performing a balcony tune for me to close my ceremony. Your band was professional, courteous, and above all, TALENTED! Your music was original and pleased all ages present at my wedding – from 8 years old to 82 and everyone in between. My only complaint is that you left us wanting more – no one wanted the night to end! “ONE MORE SONG! ONE MORE SONG!”

I would sing your praises to anyone - please feel free to publish my name/email address to anyone considering you for their event. I am happy to convey my great experience with Austin’s best cover band, The Recliners!

Thank you again for the fabulous entertainment – you guys stay cool!
